PREFACE

The aim this morning (13 December 2022) was to settle and bring an end to the conflict. Further it is not right to receive an email and not reply, so I wrote to OPCC copied to the Administrative Court. So settlement on what terms: as usual truth will determine that as I set on my truth path and see where it leads to. As usual truth accommodation is attained without attachment of any kind so everything can be sacrificed, including the desire to publish. It is not now tactically sound as the last piece of material in the Daily Bulletin cannot be covered over.

THOUGHT OF THE DAY

Being a freebird of Nature generates your own creativity that you can be proud of as your legacy left for societies now and in the future to consider and allocate you to the appropriate reputation for it's worth to humanity in the history of mankind. That means struggle for freedom and liberty to explore your abilities and their material expressions without inhibitions and pre-meditations unrestricted by any other entity in Nature for permanent calmness of mind and the dissolution of fears, paranoia and anxieties. Mental happiness is all that should propel you into your actions. For me, freedom and the self-assuringly heavenly state of mind that is attained with this outlook of Conservative Libertarianism as described and updated after fine-tuning the requirements this dharma is bliss. This attains the art of living in total harmony in Nature where one has no enemies as one has learnt to live in perfect symbiosis with all living creatures great and small. When one sees that one has done no harm to Nature having taken only what one needs for basic survival in security one attains total peace of mind with the clearest conscience that one has never meant any harm to anyone in ones attitude and resulting actions towards truth-accommodation of Nature.

So learn as much as possible with a free mind unattached even to life to determine what is needed to truth-accommodate constantly.

Administrative Court Office Case Progression

Tue, 13 Dec at 07:55

Dear OPCC

I accidentally deleted your email to me yesterday after getting the gist of what you had to say in that the work of the OPCC in regard to your assessment of my complaint to the Professional Standards Department of Kent Police had come to an end and that the only course left for me to seek justice was to access the judicial review of the matter in the Administrative Court of the United Kingdom:

In view of the non-acknowledgement by Kent Police of the linked correspondence: CLAIMS J00ME572 & E35YM660 (knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/claims-j00me572-e35ym660-1> and lack of settlement of the dispute within the time frame that I needed to draw this matter to a closure, I would seek a judicial review when this matter comes up in Court for in accordance with the seeming stipulation of the Attorney General that I am under some kind of Restraining Order such that all my emails to the Courts of the United Kingdom are filed with no action being taken on them. It explains why I did not receive a reply from the Judicial authorities to my email as linked here: CLAIMS J00ME572 & E35YM660 (knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/claims-j00me572-e35ym660>

I trust you would agree that this is the best way forward, unless in your estimation I am wrong with my assessment of the matter.

Yours sincerely

Dear Martin Goodman

Thank you for your email: currently and for the foreseeable future I am not a member of any bonafide political party accredited by the Election Commission. I have been member of various parties including the Liberal Demorats but all are now discontinued including the Conservative Libertarian Party of the United Kingdom tentatively visualised.

I feel that I can contribute to the United Kingdom through the Conservative and Unionist Party, so kindly set up the website such that I can immediately pay the £25 Standard Membership Fee and become a Conservative.

Thank you

Thank you for your letter from Rt Hon Rishi Sunak to me in the post received yesterday seeking donations to the Party

I was a member of the Conservatives a year and half ago but for various reasons the membership was discontinued. This explains why you still have my name and address in your records to send me material through the post.

I have tried to set up an alternative political party named the Conservative Libertarian Party of the United Kingdom in a bid to see changes made to the way the nation is governed, my experience of the past 25 years has revealed certain issues that the Party may be willing to consider going further towards the next general election: These are summarised in the attached link:

<https://www.knowledgeassessmentanddissemination.com/post/your-application-for-the-role-of-retail-customer-service-assistant-1>

I would like to renew my membership of the Conservative Party and participate in the conference and online forums that was cut short because of disagreements on views

Please confirm to me that there are currently no reasons why my application for membership of the Conservative and Unionist Party would not be accepted.

Dear Ed Davey

The course of the past 6 months in terms of my interactions with the Liberal Democrats has taken its toll on me with the silence in relation to the Attorney General matter and the seeking of justice, as finalised here in this link: Your email to me yesterday: Request for Review CO/1211/22 (knowledgeassessmentanddissemination.com)

The Liberal Democrats were useless to my needs and I have accordingly taken the step to rejoin the Conservative and Unionist Party as shown below.

There simply has to be a better way to run the country.

Speeding Offence of 5 October 2022-Progress on Speed Awareness Course or Fine: Judicial Review

Dear Sirs

I understand that the £92 that I paid Kent County Council for the Speed Awareness Course has been retained and I am now booked on a Healthy Living Course from 11 January 2023 so would need to be booked into another Speed Awareness Course before the expiry of the time limit for attendance at the Course.

I had sought a Judicial Review of the matter along with the issues surrounding the 24 November 2021 and 23 November 2022 arrest matters that I contend that I am innocent on so I felt would be in both the interests of Kent Police and myself in order to tidy up outstanding issues, but perhaps this judicial review has not been granted. Whether the decision is due to the Restraining Order placed on me by the Attorney General or whether it is to do with lack of judicial justification is unclear.

Be that as it may, what do we do now Sirs? The Speeding Offence is not contested by me and it would be appropriate in the interest of preserving the rule of law that I should be penalised in whatever is decided as being the right course of action for the State of the United Kingdom.

I am ready at your disposal to receive clarification of these matters as soon as possible. A fresh document by email or in the post should be sent to me with the options that Kent Police requires me to consider in these matters, If this is the Fine that I have to pay for the Speeding Offence, so be it.

On the arrest matters kindly therefore also state whether there are any legal proceedings pending consideration by Kent Police and if not when we might receive the £1800 that we need for the replacement value of the seized computer devices from 24 November 2021, or the items themselves if they are still in working order.

I have ready five eBooks and five print Books ready to be entered.

Kindly look into the matter and provide me with an explanation of why this is so.

The State ignores me and it is blogged: posted both emails in Daily Bulletin, tweeting, facebooking and posting them on LinkedIn

<https://www.knowledgeassessmentanddissemination.com/post/speeding-offence-of-5-october-2022-progress-on-speed-awareness-course-or-fine-judicial-review>

<https://www.knowledgeassessmentanddissemination.com/post/published-your-book-now-what>

This evening I had checked into Conservative Policy Forum and finding posting devoted to supporting capitalism in the severest description of it and how the Conservatives have stayed on in power as the most successful Right wing Party in western countries, felt very uneasy about having joined them. So that is the end of the foray into the Conservatives: The joining served a good purpose as it is all about reputation that I was accepted as a Member. This is warfare quite evidently. The State has not settled. I am fighting still to stay above the water, keeping my family together in this country. I will hold on to my creation of the Conservative Libertarian Party of the United Kingdom from now onwards, and not respond to anything that comes from the Conservatives.

Let me see what the State does next after I publish this book in internet archive, Global Foundation and Allurement Shop now, I cannot attend Court as I have no chance of successfully defending against the State, so saving this document for Court proceedings as the State seems to be pursuing still does not serve any useful purpose.

Dear Sirs

Thank you for readmitting me into the Conservative & Unionist Party with a brand-new membership number 529651468 and slightly different personal name details, replacing my old membership number 529641094 which was cancelled due to some mixup or other by you.

As a mark of good will, I yesterday resigned from the Liberal Democratic Party.

I take this readmission without sanctions implies you approve of my plan to take, at the first opportunity when the roads clear, your reticent if not recalcitrant Conservative Policy Forum manager Katrina Sale (Miss) of the Half-Shillings, Penny Lane near Guildford into my semiconsensual protective custody for interrogation and possibly punishment over her misconduct and inappropriate behaviour towards me, a sadhaka Hindu.

Is that correct? If I don't hear from you, I will naturally conclude that you acquiesce and will make plans accordingly.

Dear Sirs

In respect of the linked proceedings: Speeding Offence of 5 October 2022-Progress on Speed Awareness Course or Fine: Judicial Review (knowledgeassessmentanddissemination.com)
<https://www.knowledgeassessmentanddissemination.com/post/speeding-offence-of-5-october-2022-progress-on-speed-awareness-course-or-fine-judicial-review> overnight I am being harassed again by the CIA/MI5/COBRA with the criminal anonymous email below to disrupt my membership of the Conservative and Unionist Party that I fought hard to restore as part of the settlement of the matter. As with all previous malicious communications that you have investigated me for as the originator, these criminals somehow make it look as though I am the sender of the emails from a Shanpanigrahi3000@gmail.com account with a sophisticated hacking device that leaves no trace of who is the perpetrator-in-chief of the Hate Crime criminality. I fully intend to hold on to my membership of the Conservative and Unionist Party regardless of this kind of opposition to my plans. I am a decent law-abiding citizen of the United Kingdom and my record proves it.

Please make the Judge aware of this latest bastardisation of my honest and truthful way of living thorough provocation, intimidation, bullying, and setting up legal difficulties for me to contend with.

Yours sincerely

Dear Martin Goodman

There have been forces at play over the past few years that have caused me severe headaches in disrupting my loyalty and commitment to the State of the United Kingdom and this morning was no exception as you will note from the attached correspondence: ToKentPolice(My readmission to the Conservatives)15Dec.2022.docx.

I wish to take an early opportunity to reassure the Party that I am loyal and will do all I can as a member to see the future strengthening of the Conservative and Unionist Party at a difficult time for the country and as we head towards a general election.

I will be canvassing and in this regard kindly let me have the Gillingham and Rainham Constituency's details so that I can visit and assist Rehman Chishti in whatever capacity he wishes me to do so.

Earlier this morning Sainsbury's had sent an email about Flying and Travel Money which I deleted thinking that the State is advising me to pack my bags as I am done now. After the two emails sent to Kent Police and the Conservatives, both had to be blogged so that the Judge can take an decision based on the latest update as neither got a reply. To force them into proceedings, I posted them in Daily Bulletin, tweeting, facebooking and posting them in LinkedIn:

Update:

Nothing came in email and the telephone did not ring. At 10.25 am I dialled 101 for Kent Police, and spoke to the lady operator giving my name and address and saying that some days ago a lady Police officer had returned our lap-top computer and Mobile phone and I telephoned asking when we might receive our desk-top computer, Amazon Fire, Mobile Phone and USB disk that were taken a year and a bit ago when I was arrested. She asked for name again and date of birth which I gave but then suddenly the line was cut off not by her because she continued 'Hello' Hello' before the call terminated. I did not bother to dial back again.

I have not been charged with any offences, case dismissed hence. No apology or compensation. All in the day's work for the Police. I am in the clear having disposed off all my enemies. All my works were sound and proper. If and when the Police charge me we will see.

Update:

I had a lot of driving jobs to do today, taking Rupa to work then Rashmi to Benenden Hospital in Cranbrook in Kent and then bringing her home.

At 4.00 pm a Sainsbury's Nectar email came asking for a survey to be completed, and I started completing the Survey on the Phone but before I could finish it Rupa's telephone call came and I had to abandon it. Later I deleted it as suspicious.

When my chauffeur's job for the day was nearly completed, I posted the email to Drivers Diversion and immediately after blogged it, tweeting, Facebooking and posting it on LinkedIn:

So on this Friday evening, I am free, ready for anything that comes as fresh start. This book can be updated. We will see if there is more that needs to be added to it in due course.

19.07 pm (UK-Time) 16 December 2022

On this Saturday morning and early afternoon there has been dead silence with nothing coming in email or in the postal delivery. I logged into the Conservative Policy Forum but found nothing of interest to me. I feel that re-joining the Conservative and Unionist Party is not going to go anywhere, and with nothing coming from Kent Police either directly or through Driver Diversion, all matters are now closed with no proceedings for or against me. The settlement is finalised hence. No employment for me, just wait for my State pension from next August. No questions will be asked of any element of the State authorities or institutions, for they are clearly prejudiced against me for living the life of a practicing Hindu in my derived conception of Vishista-advaita Vedanta. I will not be posting anything in Facebook, Twitter or my Wix or Bravenet websites. These are now frozen in time. I will just look after Rashmi and Rupa, give up smoking cigarettes and live a Health life once again. Will not answer the telephone when the Surgery telephones me sometime on the 23 of December about the letter from Britton House. Keep myself to myself in seclusion. Nothing there to preach than what has been written already in the 93 books under the theme 'The Allurement of Reality'. This is what the 25 years of truth-search was about.

There is more to mind than intelligence and intellectual capacity. The body and brain that analyses is nothing. Truth come from devotion to the eternal principle.

First one needs liberation from the nuances of Brahma-Nature that threatens to take away your means of survival, and especially when you try to survive with dignity setting high ideals. There are evil forces who defame you and destroy you. You have to understand what they are up to at all times and be on your guard as you maintain your ideals. So liberation is first from the grip of evil. Once this hurdle is overcome there is spiritual liberation where one seeks freedom from all attachments including God. Both material liberation from evil forces and spiritual liberation combine to generate Ananda (joy) because you have immersed yourself on Creation, not shirked your responsibilities by becoming a renunciate, and become the Lord of the jungle of Brahma-Nature in the process.

The true meaning of moksha is the ananda (joy) of liberation: once it is attained living becomes constantly in the nirvana state of mind.

Legal Notice

In the light of the email from you below, and your failure to promptly remedy your error including with my shantanupanigrahi@yahoo.com Lulu Account which has also been disabled for no rhyme or reason, or even attempt to explain or justify your crimes to me, I am compelled by the doctrine of tamasic dharmayudha to act.

Therefore, I hereby notify you that unless the offending matter is fixed by Lulu to my satisfaction by 4 pm on Monday December 19 2022 and the same confirmed by email to me, I will without further warning or notice, visit the address I have found for Lulu in the United Kingdom, carrying with me a supply of Alternaria Toxin for local dispersal at my discretion. I am an expert in these things.

Is that understood clearly?

I suggest you take this matter very seriously and remedy your misjudgement. Do not involve the Police, or it will not go well for you. As I am a registered lunatic, they will not be able to help

you.

Later, we will discuss the amount of financial compensation you owe me for the torture.

(Page 3 of 5):

DEFENCE STATEMENT ON HARASSMENT OFFENCE

1. I have never ever sent an email from a Remailer, Austria anonymous email account, or a Nomen Nescio Account, or some other dizum account, or another anonymous email account to anyone whether an official at a government institution, or a private individual.

2. I have received hundreds of emails into my Gmail Phone Account from people like 38 Degrees, Internet Archive, and others which did not appear in my Desktop Gmail Account.

3. I have not sent any emails that has harassed anyone from my Shanpanigrahi3000@gmail.com account: hundreds appear to have been sent to people involved with the organisation Victims of Panigrahi Association but clearly my Shanpanigrahi3000@gmail.com account was highjacked to get me into legal difficulties with the Central London County Court in respect of Claim E35YM660.

4. My shanpanigrahi@yahoo.co.uk was bastardised by trolls and criminals so I could not send out any emails from this Account and had to abandon it a year ago. Any emails sent from this account was done by Victims of Panigrahi Association associated trolls and criminals.

5. All my purposeful emails and I have sent out thousands over the past 20 years were legitimate court-associated legal proceedings in relation to ME010463, ME002953, HQ17X01773, and E35YM660.

6. Whenever a particular recipient of an email from me asked me not to send them any emails, I complied with the request unless court proceedings became prejudiced from my inaction.

7. Since I started my E35YM660 Claim against the Prime Minister and Victims of Panigrahi Association for its criminal anonymous emails to me notably from Sivaji Panesar, Marty Caine, Nitin Bhardwaj, Fritz Wueller, Cherie, Egregious_C, and others like Ed Mulhouse and Monneka Tahir, there was a systematic attempt to have me booted out of this country to places like Pakistan, because I was bringing Kent Police in a £5 million pound damages and compensation Claim in the High Court Queens Bench Division and brought the Crown Prosecution Service to East Kent Magistrates Court on a criminal charge of perverting the course of justice and obstructing justice. That is why I considered that the UK State through its Security Services had wanted to frame charges against me of forensic or criminal nature to have me incarcerated in a mental hospital for a third time or worse to get me committed to a Trial that the County Court in Central London arranged in a Pre-Trial Hearing, but I was exonerated. I told my Consultant Psychiatrist that come what may I will never leave the United Kingdom, and this is the reason that Kent Police is charging me with a concocted summons for Harassment that is not specified to leave the State room for elaboration later. This is done to protect the Central London County Court from having to pass judgment or Order to my Appeal Application which the Court would have to justify that the University of Greenwich was lawful in withholding my £55,000 severance payment.

Hello Rehman

Hope you are doing well.

I have re-joined the Conservative and Unionist Party after all your help to me in the recent months. I was reassured that all is well especially in relation to the attached matter:

ToLuluccMedwayCountyCourtPoliceForceControl(J00ME572)17Dec2022.docx; which you will find self-explanatory hopefully.

The Home Office Ministers may have contacted you about my queries by now, and if so please let me know what was decided. I do not still know that the Attorney General has put a Restraining Order on me to prevent me from undertaking litigations but judging by the lack of response from Kent Police to the correspondence and no Freedom of Information data that I had sought from Kent Police and HMCTS, these matters seem now to be closed avenues to me to activate, except that Kent Police still retain our desk-top computer, my Mobile Phone, Amazon Fire tablet and USB Memory Stick from the seizure of these devices on 24 November 2021. Perhaps the Attorney General can clarify this matter for me, so I am copying the email to him.

I have not received a penny of compensation nor an apology from Kent Police for what I perceived as victimisation, persecution, terrorism and defrauding of my financial rights as a Hate Crime so raised a question to the Home Secretary Suella Braverman if there should be policy changes in accordance with what I wrote to you about a few months ago. She is holding an online meeting on the 20th of December 2022 at 5.30 pm and I hope to log in and find out if there will be any new policies announced on Policing Methods.

Be that as it may, I am ready and willing to assist the Conservatives in the Gillingham and Rainham Constituency as I wrote to Martin Goodman at Membership about -see attached:
ToMartinGoodman(Conservatives MY COMMITMENT TO THE CONSERVATIVE AND UNIONIST PARTY)15.Dec2022.docx

On a minor matter, I logged into the Conservative Policy Forum and tried to put in a New Ideas Forum suggestion on Safety First Principle of Conservative Libertarianism in the macroeconomic management of the economy after the Liz Truss debacle but the submit button would not work for some strange reason. This is why I am copying this email to the chairman at conservatives.com

The Parliamentary and Health Service Ombudsman (PHSO) did not ever acknowledge my complaint against the National Health Service and through Kent Police appointed Social Worker (I presume) when I was arrested for the second time spaced a year apart, I received the attached letter from the Community Mental Health Team (FrBrittonHouse(letter6Dec2022received8Dec2022).docx. I am due to receive a telephone consultation from Dipti the Mental Health Pharmacist at Long Catlis Road Surgery on the 23rd of December 2022 concerning this matter because KMPT (PALS) after sending me an email following the registration of the complaint at PHSO did not come back to my reply.

Merry Christmas and a Happy New Year, Rehman. Thanks for being there for me when I needed you most. I would be grateful for all your assistance

Regards

Yours sincerely

As we are the final stage for unresolved complaints, we usually expect you to complain to the organisation you are unhappy with first. This is so that it has the chance to look into your concerns and, where needed, put things right for you. For further information please visit

<https://www.ombudsman.org.uk/making-complaint/before-you-come-to-us>

What happens next?

If you have an existing case with us, your email will be added to your case and your caseworker will be in contact with you in due course.

If this is the first time you are contacting us, one of our Intake Caseworkers will take a look at your complaint.

If you have completed the organisation's complaints process and would like us to consider your complaint, we will need the following:

- A completed complaint form. If you have not sent us one, you can complete the NHS form online <https://ombudsman.achieveservice.com/module/home?>, or you can find our Parliamentary and Health forms (including large print format) on our website: Complaint forms | Parliamentary and Health Service Ombudsman (PHSO) <https://www.ombudsman.org.uk/making-complaint/complain-us-getting-started/complaint-forms>

- The complaint made to the organisation (any letters, emails or complaints forms submitted for the complaint).

- The complaint response(s) from the organisation including the final response and any other correspondence relating to the complaint.

You can email these, or post them to PHSO, Citygate, 47-51 Mosely Street, Manchester M2 3HQ.

Please do not send originals.

We will not usually be able to progress your complaint until you provide us with this information.

Once we have received your completed form, we aim to get back to you within 14 days to explain what will happen next.

What to do if you cannot complete the complaint form?

You can contact us on 0345 015 4033 for extra support if you need help with filling in forms, need a different format such as Braille or if you need any further adjustments to help you get your complaint to us. We can also provide paper copies of the form.

If you have any questions or would find it helpful to speak with us in the meantime, please call us on 0345 015 4033. Our opening hours are Monday to Thursday 8.30am to 5.00pm, Friday 8.30am to 12pm

You can find more information on our website <http://www.ombudsman.org.uk>

Update:

With nothing coming by email, on this Sunday afternoon knowing I had no chance of succeeding in any court proceedings so should prepare myself for defending against any charge levelled at me by Kent Police afresh, published the two emails in Daily Bulletin, tweeting, facebooking and posting them on LinkedIn so that it can all be taken into account before the State decides its next move on me:

Hello Frances

Thank you for coming back to me. I will give you some brief details.

I have been a mental patient of the National Health Service for the best part of 24 years, having been sectioned twice, first in 2004 and then in 2008, but since then I have been under the Community Mental Health Team at Britton House Gillingham until it discharged me into Primary GP Care of Long Catlis Road Surgery. I was variously diagnosed with persistent delusional disorder, then paranoid schizophrenia, then mood instability and autism and Personality disorder was also mentioned. I am prescribed with risperidone (4 mg) antipsychotic, sertraline (150 mg) anti-depressant and Depakote (mood stabilising) medications daily which I take without fail.

These medications have been good for me but I am still labelled as registered lunatic for the activities that I get involved in and have been arrested by Kent Police on two occasions (November 2021 and November 2022) for allegedly having sent malicious communications to people which I have no recollection of having done although my memory is good.

The Consultant Psychiatrists have not been able to give me a treatment plan apart from the medications mentioned above, as I needed counselling to rehabilitate myself in society. I am 65 years of age now and am a British citizen of Indian immigrant extraction.

My mother committed suicide when I was small and my brother was also a schizophrenic diagnosed and treated with Lithium until he passed away.

In light of this background, will psychoanalysis from yourself help me stabilise my mental condition?

Having considered the information outlined in the referral we note the communication received from social worker by Shantanu is unclear what current needs are.

Update:

When no reply came from Frances Evans Therapy to my suggestion that I phone after 1200 noon I dialled the number given in the email, but no one picked up the telephone and after 20 ring tones the line got cut off at 8.27 am.

08.30 am (UK-Time) 19 December 2022

Update:

As I was driving Rupa to work, the Mobile phone rang that I could not answer. It was from Frances Evans. I got my medications from Boots and at around 10.10 returned her call and had a 15-minute conversation. I started with saying that I was driving when her phone call came so could not answer it and then I went to Boots and usually they have a long queue but not this time so I was done quickly and am returning her call. She asked what I wanted to achieve. I said for as far back as I can remember I have had a persecution complex that the State has been after me, victimising, persecuting, terrorising and defrauding me of financial rights. She asked for my background. I told her I was born in India and came to the United Kingdom as a 15-year-old boy with my parents. My father was a scientist, and they went back after 3 years while I studied in this country. She asked

where precisely I was born. I said in the east coast of India. She said that her mother or father came from Amritsar. I said I know about Amritsar. She asked when did your persecution thoughts begin. I said I was in the scientific civil service for 16 years but then lost my job as the employers found me to be blameworthy of gross misconduct. She asked if I thought that the persecution, I feel was real. I said that my wife thinks that this is my mental disorder. I said after the scientific job I did lots of menial jobs but could never hold on to them. She asked me if I was working. I said No, I am retired. I stay at home and care for my wife. Then she said that she can help me with Therapy. I said the Consultant Psychiatrists just issue medications but these do not help much without counselling. She said that medications have their place but not all anxieties can be held in check from that. She had asked earlier if I had anxiety. I said yes. She then said that she would have to write to my GP and see if he had any objections to her assisting me with therapy. Her sessions are £80 per session or on block booking of 5 sessions it would be £300. I said Yes I would like that but if she minded if I went for the £80 option initially and see how it goes. She said she did not mind. I asked if it is an online session or telephone session. She said she does all her sessions on Zoom on line. I confirmed that I had a laptop and Zoom is installed in it. The call ended with her confirming that she had my email address and she said that she would send me some materials to begin with. It.

Hello Shantanu

If you want to make your money work harder for you, consider moving money that you don't need to access regularly into an account that pays a higher rate of interest.

You can choose from a range of bonds and ISAs that offer a fixed interest rate over a fixed period of time, or flexible products that provide partial access to withdraw some of your money. The interest rate on fixed-rate products that don't allow withdrawals is typically higher than the rate on products that allow you to withdraw money at any time.

If you're unsure about your withdrawal needs, splitting balances across different products can help you achieve the right mix of interest rate and withdrawal access for you.

Hello Frances

I have just completed the £80 Session Fee, although there was uncertainty as to whether the Friday 23rd December at 2pm appointment that I wish to agree to is the initial consultation Fee or now that all the details that you require have been discussed, we can go straight to the First session on this date.

As to what the Kent Police proceedings were or are: I have had problems with Kent Police for about 6 years when I took out a claim in the High Court for its failure to apprehend people who I saw were criminals destroying my career. This litigation was frowned upon by the State and I was harassed, terrorised, victimised and deprived of my severance pay from the University of Greenwich from 1998 onwards. The State had taken vengeance on me for daring not just to make the Claim against the University of Greenwich and Kent Police as 4-5 years of systematic trolling took place to try and lock me into legal difficulties. I took the Prime Minister to Court in a civil litigation under Claim E35YM660 for failing in its statutory duties to protect a civilian from trolls who were organised according to my perception and it was to thwart these proceedings that Kent Police arrested me on

24 November 2021 and seized our computer devices to bring me under its direct surveillance to level charges against me that has yet to materialise for everything is done in secrecy.

The two occasions that I was incarcerated in a mental hospital (2004 and 2008) were a direct response to the protest at the injustices that I was suffering, for there is nothing wrong with my mental faculties, the symptoms of paranoid schizophrenia and persistent delusional disorders were just defensive mechanisms to avoid the traps that threatened my survival in the United Kingdom. The State initially tried to boot me out of the country by making me stateless but I resisted that by writing the Home Secretary Priti Patel and when that failed they tried to have me incarcerated in a mental hospital for a third almost certainly irreversible time that I had to resist using whatever intelligence I was naturally endowed with. So with that failure the State tried to set me up with a offence of having sent criminal anonymous emails to Katrina Sale, BLM Law and BP when Kent Police knew only too well that it was the CIA/MI5/COBRA that hacked my computer to send out those emails to get me into trouble with Kent Police. The only way I could try and avoid that fate was to take out a injunction and Money Claims against Kent Police to stop its Hate Crime on me and it was disposed off with the complicity of the court officials at Medway County Court organised by the State.

So all in all it is a clear case of State organised persecution on me that has lasted 25 years.

Hope you can send me the Zoom link to discuss my paranoid state of mind and live a normal life from now onwards.

Yours sincerely

Let's discuss a way forward. It seems that you have suffered a lot at the hands of others. I treat anxiety and the symptoms of anxiety and what I intend to do is to help you relieve yourself from this anxiety. The problems at the surfaces are merely the symptoms of the anxiety.

Let's meet on Friday at 2pm.

Hello Frances

Whatever the United Kingdom State has done to me over the past 25 years, it is where we are. I do not hold grudges. I wish to move on if I am allowed to do so, for the sake of my mental health to control my anxieties and to care for my family.

So I agree to your plan as to the way forward and will login to the Zoom meeting as you have scheduled for the first Session.

Thank you for your patience.

Sincerely yours

Shantanu

The State had taken vengeance on me for daring not just to make the Claim against the University of Greenwich and Kent Police as 4-5 years of systematic trolling took place to try and lock me into legal difficulties. I took the Prime Minister to Court in a civil litigation under Claim E35YM660 for failing in its statutory duties to protect a civilian from trolls who were organised according to my perception and it was to thwart these proceedings that Kent Police arrested me on 24 November 2021 and seized our computer devices to bring me under its direct surveillance to level charges against me that has yet to materialise for everything is done in secrecy.

The two occasions that I was incarcerated in a mental hospital (2004 and 2008) were a direct response to the protest at the injustices that I was suffering, for there is nothing wrong with my mental faculties, the symptoms of paranoid schizophrenia and persistent delusional disorders were just defensive mechanisms to avoid the traps that threatened my survival in the United Kingdom. The State initially tried to boot me out of the country by making me stateless but I resisted that by writing the Home Secretary Priti Patel and when that failed they tried to have me incarcerated in a mental hospital for a third almost certainly irreversible time that I had to resist using whatever intelligence I was naturally endowed with. So with that failure the State tried to set me up with a offence of having sent criminal anonymous emails to Katrina Sale, BLM Law and BP when Kent Police knew only too well that it was the CIA/MI5/COBRA that hacked my computer to send out those emails to get me into trouble with Kent Police. The only way I could try and avoid that fate was to take out a injunction and Money Claims against Kent Police to stop its Hate Crime on me and it was disposed off with the complicity of the court officials at Medway County Court organised by the State.

So all in all it is a clear case of State organised persecution on me that has lasted 25 years.

Hope you can send me the Zoom link to discuss my paranoid state of mind and live a normal life from now onwards.

Yours sincerely

As to what the Kent Police proceedings were or are: I have had problems with Kent Police for about 6 years when I took out a claim in the High Court for its failure to apprehend people who I saw were criminals destroying my career. Update:

I did not reply to this email as it held a lot of traps for me but dialled Frances Evans on the Mobile Pbone and had a ten minute conversation about the possibilities for me. She mentioned that she did Hypnotherapy for certain conditions. I said you said that I had a Personality disorder and that you had a colleague who was better placed to assist me. The conversation dragged on about childhood memories, my father, mother and so on. I soon I felt like terminating it as it had served its purpose.

I spoke to Rashmi about Hypnotherapy for my persecution complex. She did not say anything and I said that NHS does not provided specialist assistance so I was in touch with a Psychotherapist wh suggested this.

Soon afterwards, I sent the following fresh email to Frances Evans:

Dear Frances

We discussed the options for me half an hour ago on the telephone and I have just spoken to my wife that if there is scope within your personal expertise to assist me with my mental condition, whether it is Personality Disorder like you stated or some other non-descript mental disorder that hypnotherapy might be useful in combatting, then rather than being referred to your colleague as you had siggested I would go along with what you can do for me.

I understand that you would need to contact my GP Surgery to obtain clearance that you can legally provided me with this service and that the first session you would be able to arrange sometime in January for one hour on Zoom at the cost to me of the same £80. So if you are in agreement with this being the way forward, please let me know one way or the other.

**** Please be really specific with the following answers, using as much detail as possible, including how it would feel, look like etc – this will be used as part of your transformation****

If I had a magic wand and I could do anything for you, what wish could I make come true for you?

I am very concerned about living in uncertainty always, so I seek the truth about anything and everything that moves. This is stressful and depressing,

What outcome would you like to obtain from this session? Tell me what you want to walk out with...

I would like to have a pleasant and serene mind unperturbed by uncertainties that lead to delusional thoughts and paranoia.

If I can fix this issue for you, what would you look like? What will it enable you to do or feel that you can't do now?

I would like to be able to get a parttime job and hold on to it.

How will this change your life?

Greater self-confidence about myself, not chasing rainbows that are futile, and get all the household chores done on time.

How will it make you feel?

I would feel happy that I do not waste time seeking truths as this has got me nowhere and destroyed my life. I thought there was a meaning and purpose to life, but 25 years after losing my scientific career I know nothing. My relationships are poor. I am regarded as a registered lunatic, all because of learning what lies hidden in Reality when nothing does. It is my Hindu upbringing that led me down this path as if there is a God to have devotion to and surrender to. But it was all fruitless.

I had ambitions, broke rules and developed continual feelings of delusions of grandeur that never left me. I established numerous websites and wrote an autobiography in the past two years that was discarded as the work of a lunatic. So I hope with hypnotherapy I can take part in normal living, socialising with people and having a pleasant time without worrying about what the future holds for me. I wanted to emulate my father in Science and this is what caused me to be so unsocial that I was sectioned twice in mental hospitals.

After coming home from bringing Rupa I logged into Suella Braverman's Online discussion but found it to be a waste of time, so abandoned it:

Soon it dawned on me that the silence from Frances Evans meant that I needed to blogpost the two emails on Hypnotherapy and Intake: to be free:

Dear Frances or else Mrs Fin,

Exc. that the dope Shuntanus is falling for your scam.:)

This little monkey can be made to jump quite a lot, in the course of your interactions with it. Squeeze him dry, there is a lot of equity in 3 Hoath, and his wife is on her last legs due to his habitual mistreatment and abuse of her.

Personally and in my professional opinion as a shrink, I believe what would benefit this career fraudster and liar most would be a bloody fine beating, administered in public, six times a week for twelve years. But we aren't in the business of seeking what's good for him.

I hope that your professional indemnity insurance will cover the inevitable fallout for you and the multiple lawsuits Shuntanus will threaten or launch. Your name will also be traduced, for years, over the internet in his multitude of blogs and books, and that all your "proceedings" will by zoom will not thwart this conman troll from accusing you of vile sexual crimes with the intention of extorting you. Any association with his name will do you professional damage beyond your keen estimation.

If you didn't care to research a psychopath before accepting his commission, you too are going to receive a good lesson that your Intake Form can take in more trouble than you expected. He has harassed 2,300 individuals and organisations, lodged 420 baseless complaints and been involved in 17 lawsuits, three of them involving Prime Ministers of the United Kingdom.

Good luck.

Do keep us updated, the emails vopa@ and panesar@ Googlemail may appear to be inoperative, but we can read what is sent there.

VOPA

You never give up do you?: persistently obnoxious, when the entire Judicial and Law Enforcement processes of the United Kingdom is all but destroyed while I survive in this country with a State pension to look forward to from next August. Rehman Chishti is totally discredited as a local member of Parliament and as a member of the Conservative and Unionist Party that I asked for his de-selection and resigned because he was allowed to retain his position. Now the evidence has mounted up even to the most gigantic proportions to show that he is still a moron without a voice of his own. Your copying him in makes no difference. The Police are shattered, the Courts are shattered, the Attorney General is shattered. the entire government is shattered just because the State wanted to stop me from accessing justice against the University of the United Kingdom for the £55,000 severance payment due to me and coverup the truth about the workplace harassment that I had suffered in conspiracy that you as VOPA admitted. This indeed is the collapse of the pathetic secretive State of the United Kingdom: the final nail in the coffin of the Police State masquerading as a civilised country in the world.

It is no good writing to Frances Evans, for I am the sanest person in the world, not just in the present time but in the history of mankind. This is not delusions of grandeur but the reality. You can huff and you can puff but you will not blow my house of shelter down. I stand tall and have all that is needed to withstand state organised persecution for as long as I am alive even in the most horrendous of all Police States that clearly represents a nation of morons who could not quell my protestations in the Hindu way for 25 years.

You are so stupid that you have to send me two emails to two of my separate email accounts as the one I found in my gmail account: FrVOPAviadizum.com(CAE)ingmailAccount20Dec2022.docx.

Dear Sirs

I am forwarding this email to Kent Police to let you know that Frances Evans Therapy are no longer providing me with Hypnotherapy that we had seemingly come to an agreement on, unless Frances changes her mind in the meantime. So I am going to be back to the NHS from whom I am expecting Dipti of Long Catlis Road to continue with the Social Services referral that was made from Britton House. The appointment is on the 23 of December 2022.

Yours sincerely

Good morning,

If they have decided they are no longer going to provide you with hypnotherapy, this is not something Kent Police would take any action against as it would be a civil matter.

Dear Sirs

I am forwarding this email to Kent Police to let you know that Frances Evans Therapy are no longer providing me with Hypnotherapy that we had seemingly come to an agreement on, unless Frances changes her mind in the meantime. So I am going to be back to the NHS from whom I am expecting Dipti of Long Catlis Road to continue with the Social Services referral that was made from Britton House. The appointment is on the 23 of December 2022.

Yours sincerely

Now the evidence has

mounted up even to the most gigantic proportions to show that he is still a moron without a voice of his own. Your copying him in makes no difference. The Police are shattered, the Courts are shattered, the Attorney General is shattered. the entire government is shattered just because the State wanted to stop me from accessing justice against the University of the United Kingdom for the £55,000 severance payment due to me and coverup the truth about the workplace harassment that I had suffered in conspiracy that you as VOPA admitted. This indeed is the collapse of the pathetic secretive State of the United Kingdom: the final nail in the coffin of the Police State masquerading as a civilised country in the world.

It is no good writing to Frances Evans, for I am the sanest person in the world, not just in the present time but in the history of mankind. This is not delusions of grandeur but the reality. You can huff and you can puff but you will not blow my house of shelter down. I stand tall and have all that is needed to withstand state organised persecution for as long as I am alive even in the most horrendous of all Police States that clearly represents a nation of morons who could not quell my protestations in the Hindu way for 25 years.

You are so stupid that you have to send me two emails to two of my separate email accounts as the one I found in my gmail account: FrVOPAviadizum.com(CAE)ingmailAccount20Dec2022.docx.

This little monkey can be made to jump quite a lot, in the course of your interactions with it. Squeeze him dry, there is a lot of equity in 3 Hoath, and his wife is on her last legs due to his habitual mistreatment and abuse of her.

Personally and in my professional opinion as a shrink, I believe what would benefit this career fraudster and liar most would be a bloody fine beating, administered in public, six times a week for twelve years. But we aren't in the business of seeking what's good for him.

I hope that your professional indemnity insurance will cover the inevitable fallout for you and the multiple lawsuits Shuntanus will threaten or launch. Your name will also be traduced, for years, over the internet in his multitude of blogs and books, and that all your "proceedings" will by zoom will not thwart this conman troll from accusing you of vile sexual crimes with the intention of extorting you. Any association with his name will do you professional damage beyond your keen estimation.

If you didn't care to research a psychopath before accepting his commission, you too are going to receive a good lesson that your Intake Form can take in more trouble than you expected. He has harassed 2,300 individuals and organisations, lodged 420 baseless complaints and been involved in 17 lawsuits, three of them involving Prime Ministers of the United Kingdom.

Good luck.

General Form of Judgment or Order

In the County Court at Central London

Claim Number E35YM660

Date 19 January 2021

(The County Court Sealed)

DR SHANTANU PANIGRAHI 1st Claimant Ref

MRS THERESA MAY – PRIME MINISTER OF THE UNITED KINGDOM 1ST Defendant Ref

Z1819776/H019

Before His Honour Judge Parfitt sitting at the County Court at Central London, Thomas More Building, Royal Courts of Justice, Strand, London, WC2A 2LL.

On the Court hearing the Appellant but the Appellant withdrawing from the telephone hearing after making his submission and on the Appellant's request to reconsider the permission to appeal refused by HHJ Letham by Order dated 30 September 2019

IT IS ORDERED THAT

1. The request to reconsider permission is refused.
2. The Appellant's application was totally without merit: the DDJ's Order was wholly appropriate as a case management order and the stated grounds of appeal that the Appellant lacked access to legal advice was hopeless and the oral argument put forward that the DDJ was a liar acting as part of a conspiracy to silence the Appellant was absurd (both in its premise and in its substance – since the order under appeal gave the Appellant a final chance to make his particulars of claim good).
3. The Respondent's application for costs of the action must be referred to a DJ pursuant to CPR 3.5 (2)(a) and the Respondent's letter dated 13 January 2021 and two cost schedules contained in the Appeal bundle (in pdf format) shall be treated as application in that respect.
4. The Respondent's costs of the appeal are to be treated as Respondent's costs in the action.

A letter came in the post from Rehman Chishti at 2.00 pm and there was no email returned from the Courts in response to the email sent. So on the basis of the derivation that Kent Police is being lined up for proceedings against me, posted the email in Daily Bulletin, tweeting, facebooking and posting

it on LinkedIn so that I can prepare my defence using the Rehman Chishti letter when the matter does come to a Hearing, or on Appeal.

Dear Dr Panigrahi

As I advised you in my letter of 6th October 2022 and which I further reiterated in subsequent correspondence I am unable to intervene into legal matters or provide you with legal advice.

If any action has taken place in court as you cite in your email of 19th November then this would be an example of a legal matter that I am unable to intervene into or provide any advice regarding.

Yours sincerely
